Center Administrator/PI Signature

--

Note: After validating the above funding information, SEMEL Computer Procurement Coordinator will complete the order process and arrange with IT to configure and deliver the computer equipment to the client. Price may change from the time the quote is issued to the time the order is placed on certain items. Some costs listed on the quote will be recharged on or before FYE June 30. Please let us know if we should post the recharge prior to June 30.
